***Macon Campus – College of Professional Advancement**

For students taking their general education requirements from the College of Liberal Arts and Sciences, 1 credit hour earned for **UNV 101** will count towards the required 60 credits of general education and nursing core.

Students transferring in with a bachelor's degree or 30 or more general education credits may be exempt from the undergraduate general education religion requirement by the College of Nursing. Those students approved for exemption must have an additional 3 elective semester hour credits to meet general education requirements.
