To the Applicant: Provide the following information for your professional references. Please do not be concerned if your references are not contacted immediately; references will be contacted by the deadline for processing. Please return the form to the Admissions Department at the address above.

For DNP Applicants: References should be from instructors, administrators, colleagues, or managers who have evaluated your professional practice. IMPORTANT: Persons listed as a reference must be able to speak to your potential for success in the doctoral program. Please complete all information for each person.

For PhD Applicants: It is strongly recommended that you include one reference from a University faculty member. The other references should be from instructors, administrators, or managers who have evaluated your professional practice. IMPORTANT: Persons listed as a reference must be able to speak to your potential for success in the doctoral program.
